Blossburg Fall Festival Vendor Information

Hosted by Blossburg Visions in Business and Entertainment

Sunday, October 11, 2020

12 p.m. to 4 p.m.

Thank you for your interest in being a vendor at this year's Blossburg Fall Festival. Please see the list of helpful information below. These will help us to ensure everyone has a wonderful experience at the Fall Festival.

- Fall Festival Support Staff will be wearing brightly colored shirts with "STAFF" written on the back.
- Check in with the V.I.B.E. Welcome Booth at 9 am to receive your space location. We'll also try to get it posted to <http://www.Blossburg.org/fallfest> the day before the festival.
- Setup time is from 9 am to 11:30 am. If you will need to setup prior to 9 am, make sure to coordinate with the Fall Festival committee so you know where your space is located. If you don't coordinate with us, you might have to move your booth.
- All vehicles and non-essential carts must be moved to the parking lot behind the Plaza by 11:30 am. There's plenty of parking back there and a sidewalk at the end of the Susquehanna Health building for easy access.
- If you will have a pop-up tent, bring something to weigh it down in case it gets windy. Vendors in past years have brought hay bales or 5 gallon buckets filled with sand to tie off to.
- Any vendor taking up more than the allotted space will be charged for the extra space on the day of the event.
- The festival runs until 4 pm. Please refrain from packing up before this time.
- If you did not submit a vendor application or did not get an application to us ahead of time for the Fall Festival and are planning to show up, there might not be a space for you to setup in – this has happened before. Don't let it happen to you!

Food Vendors

- Due to the amount of power that electric roasters and crock pots draw, we strongly urge food vendors to try to stick with single use or reusable chafing dishes and fuel. You can find these at Party City, Amazon, etc. for a very reasonable price.
