Blossburg Fall Festival Vendor Information

Hosted by Blossburg Visions in Business and Entertainment

Sunday, October 11, 2026

Noon to 4 p.m.

Thank you for your interest in being a vendor at this year's Blossburg Fall Festival. Please see the list of helpful information below. These will help us to ensure everyone has a wonderful experience at the Fall Festival.

Setup and Support

- Enter the vendor area by Blossburg Pizza and Subs. Exit by the Bloss Holiday Market.
- This event is rain or shine. Prepare accordingly.
- Fall Festival Support Staff will be wearing brightly colored Blossburg V.I.B.E. Fall Festival shirts.
- Check in with the V.I.B.E. Vendor Greeters at 9 am to receive your space location. A list of spaces and locations will also be posted to http://www.Blossburg.org/fallfest the day before the festival.
- Setup time is from 9 am to 11 am. If you will need to setup prior to 9 am, make sure to coordinate with the Fall Festival committee so you know where your space is located. If you don't coordinate with us, you might have to move your booth.
- All vehicles and non-essential carts must be moved to the parking lot behind the Plaza by 11:30 am.
- If you will have a pop-up tent, bring something to weigh it down in case it gets windy.
- Any vendor taking up more than the allotted space will be charged for the extra space on the day of the event.
- The festival runs until 4 pm. Please refrain from packing up before this time.
- No vendor application = no setup.

Vendors Needing Electric

- Do not bring crock pots, microwaves, warming plates, coffee makers or other high-electricity usage devices. On-site electric can only support a small number of these. Plan ahead by using:
    - disposable chafing pans
    - sterno heaters
    - gas camping grills
    - These are all available at Walmart or Amazon
- If you require electric, note it on the vendor application. If not noted, you will not have power.
- Food Trucks
    - We should have power for you, but let's make sure we have the right plug. Bring your adapters. Bring your long cords.
